INTERNET HOSTING SERVICES

who

Companies seeking flexible, affordable and secure Internet hosting services.

what

A full range of hosting plans and features designed to meet both present and future needs.

why

Full-featured, reliable and secure hosting is a necessity for any company seeking a major Web presence.

how

ITX custom hosting services give your company extensive features, crucial security, maximum throughput, and full and reliable accessibility.

“ITX leads the competition with fully customizable, powerful and secure Internet hosting services.”

>> **Internet Services that Outpace the Competition.** ITX is your full Internet partner, always ready to help you establish a powerful Internet presence. However simple or complex your Internet hosting needs, ITX offers a broad range of state-of-the-art Internet hosting and support services, all customizable with a full range of a-la-carte site enhancements:

- Basic, Standard, Deluxe and e-Commerce Web Hosting packages.
- Email with webmail and spam control.
- ITX Packs: Web design templates, site administration and hosting.
- Web Application and Terminal Services hosting.
- Server Co-Location.
- Full support for CGI Perl scripts, Cold Fusion, ASP, .NET and ODBC/MS SQL.

>> **Reliable Systems.** Unlike most of our competitors, ITX guarantees 99.5% uptime. Our redundant Web and application hosting servers are monitored in real-time and backed up daily to ensure the integrity of your vital data and business processes. As an ITX hosting client, you are assured not only a stable, secure environment, but benefit from our total commitment to continuous investment in new and powerful technologies.

>> **Quality Service.** At ITX we listen and respond to your needs – quite simply, the success of your business is our first and only priority. We are there 24/7 to personally answer your questions and respond to your needs. When moving your site from another provider, we guarantee a smooth transition that is totally transparent to your customers. When you choose ITX, you know you have selected the very best.
