

Who We Are

New Media Entertainment is best known for its unique consultative approach to developing and implementing **innovative new media solutions**.

Our products and services range from interactive CDs/DVDs, to graphically-rich Web sites, Webcasting, real-time video/audio streaming, video-on-demand, e-learning and online entertainment.

nME **addresses core business needs** from market analysis and branding to staffing, partnerships, and valuation analysis. We offer **mission critical consulting** on strategic development, revenue projections/planning, financial need assessments, market trends analysis, and technology implementation.

Directing the future of multi-sensory communications!

Meet the X-Factor Team

The **nME X-Factor production team** is recognized as the best in the industry by our peers and our clients, alike. We were recruited from various sectors including film and television, advertising, graphic design, software development, marketing, entertainment and content publishing.

The skills and experience of the X-Factor Team are fully supported by the vision and combined technical and business expertise of management. As a result, New Media Entertainment is an innovative, creative and technical force in the new media industry.

We deliver

Why are **nME clients 100% satisfied**?

We deliver. Our innovative and full-featured Internet Web sites, exciting multimedia, streaming video and film productions, as well as our ability to harness the power and possibility of emerging technologies prove everyday that we are the best of the best.

The most valued members of our team are our clients who are deeply involved in every step of the production process from concept to implementation.

Our clients include leading Fortune 500 corporations, forward-thinking small-to-midsize companies, colleges and universities, nonprofit organizations and government agencies. Our solutions address issues faced by the Media & Entertainment, Financial Services, Insurance & Real Estate, Telecommunications, Business Consulting, Healthcare, Travel, Retail & Consumer Product Industries, as well as Educational and Religious Institutions, and Foundations.

What we do

nME's new media projects are completed **on time and on budget**, no matter what the complexity:

- **Streaming Media and Internet Broadcasting:** Web casts, video-on-demand, Internet Networks/Channels
- **Web Applications & Infrastructure:** Web site development, internal communications/networking, e-commerce, & database applications
- **Content Development & Distribution:** Web site content, Internet films and shows, Webmercials, and licensing and distribution.
- **Strategic Marketing & Advertising:** Coordinated Internet marketing and traditional marketing mediums.
- **Multimedia:** CD and DVD authoring, 3D modeling and animations, e-learning, and online entertainment.

nME leads the new media industry, building comprehensive new media programs that guarantee the highest return on investment. Give us a call.
